**Federation Membership Fees - Additional Fees Request - WI copy**

Thank you for sending the Membership Fees for members who joined your WI at the beginning of the year. We are now asking you to send in membership fees for any member(s) who have subsequently joined including pro rata members who are new to the WI movement (i.e. have not been a member of any WI in the last ten years). **You are advised to take a copy of this form so that it can be used for later payments**

The form on this page is for your records and the other form should be completed and returned with your payment. As further members join please pass on the appropriate amount for each subscription received together with a completed form. Quarterly payments in July and October are requested in order to cut down on the number of payments received and the associated bank charges.

Please note that payments in respect of those joining between 1/10/19 and 31/12/19 should be paid with next year's subscriptions.

Thank you.
