The Southey Cup Competition 2020

STOP PRESS

The closing date for The Southey Cup has been extended to 15 May so if you've been thinking about entering, maybe with more time at home you might still be able to submit an entry. If you have already sent in an entry to the SFWI Office, it would be great if you could send a copy to Angie Leach by email (angieleach93@hotmail.com) as the office is closed. Please contact your WI adviser for more information.

OUR new competition is designed to discover how you advertise your WI and promote it to attract new members.

To enter, send in no more than two sides of A4 paper containing either:

- Your written programme;
- A download from your website or social media;
- Photographs;
- Or something else.

The competition will be judged by WI Advisers from another Federation. Their decision will be final.

They will be looking for clear information of how and where to find you; what members and visitors can expect; contact information and overall **A Window to Your WI** that will make people want to step inside!

Please send either five paper copies or scanned/downloadable copies of your entry to the Federation office by **May 15, 2020**.

Chris Butterfield
