Eileen Bowler Competition 2021

This year it is for a child's outfit made from one item destined for recycling*. You may add any sewing accessories and a little additional fabric if you wish, but it must make up less than a quarter of the total.

You must include a picture of the original article along with your entry. Your finished outfit should be sent (or delivered if you are local) to Meriel Sexton, 4 Hazel Way, Fetcham, Leatherhead, KT22 9QD to arrive no later than Friday, 19 February. Please include your name, address, email address, and the name of your WI with your entry.

The winner will be announced at the Zoom ACM and it is hoped to feature photos of all the entries in SWIN. — Meriel Sexton, Home Economics, Craft and Gardening Committee

**Originally we said an item from a charity shop, but as they have been closed, we have amended the requirement accordingly.*
