

The main purposes of the Women's Institute organisation are to enable women who are interested in issues associated with rural life, including arts, crafts and sciences, to improve and develop conditions of rural life, to advance their education in citizenship, in public questions both national and international, in music, drama and other cultural subjects and in all branches of agriculture, handicrafts, home economics, health and social welfare. It seeks to give to women the opportunity of working through the Women's Institute organisation, and of putting into practice those ideals for which it stands.

Basis of Independent Examiner's statement

My examination was carried out under section 145 of the Charities Act 2011, in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent Examiner's statement

In connection with my examination, no matter has come to my attention (other than that disclosed below*)

* Please delete the words in the brackets if an unqualified report is applicable.

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
