CONFIDENTIAL REPORT ON SPEAKERS

Please complete a report after each WI meeting that has a speaker. Your feedback is of great value to the SFWI in monitoring the performance of current speakers in the Surrey Yearbook.

If you have enjoyed a particularly good speaker who isn't currently in the Yearbook, we can use the information you provide to invite them to audition, but please seek their permission first. If a speaker receives 3 "very poor" reviews in a year, they are required to re-audition, and are removed from the Yearbook in the interim. WIs are advised accordingly. Without your input good speakers could potentially be missed, and very poor speakers could continue to be included in the Yearbook.

Your completed form should be returned to: **The Yearbook Editor, SFWI, 6 Paris, Parklands, Railton Road, Guildford, Surrey GU2 9JX**, or email it to the SFWI office at info@surreyfedwi.org.uk

***NOTES:** Please circle your choice and return the form to the SFWI office. If emailing, please highlight your choice or change the font colour. Thank you.
