Subscriptions

On joining the WI and then annually before April, you will pay your subscription to your WI Treasurer.

The amount you pay to your Treasurer is divided three ways. Approximately 50% of the fee is kept by your own WI towards its running costs such as meeting hall rental, and speakers or crafts at our meetings. The only additional monies you need at meetings will be for extras such as refreshments, raffle etc. 25% is paid to SFWI towards its expenses, including the staff salaries and administrative costs. The remainder is paid to the NFWI which covers the cost of four copies per year of The WI Magazine and the running of the tier of the organisation, campaign resources, national activities and national training for volunteers to help run WIs at local level.

The subscription is reviewed annually by the NFWI, discussed at the National Council and then fixed. Members are notified of the next year's subscription rate during the previous autumn.

The WI is a national organisation whose subscription represents very good value. The more you become involved, the greater your enjoyment and the better value your subscription becomes.

Your own WI uses the subscriptions (supplemented by fundraising) to run your WI. These funds are required to be used in accordance with charity law and accounted for annually to members and SFWI. You are entitled to 11 free meetings a year provided by your own WI. Many WIs offer extra activities, however costs for extra activities are to be paid by the member, not the WI. Please refer to **MYWI** for full guidance regarding subscriptions, use of funds and charity guidelines.

AN INTRODUCTION TO THE WI

Who we are and what we do

The National Federation of WIs (NFWI) is the largest women's organisation in the UK with over 160,000 members. It is non-sectarian and non-party political and as such is able to influence national and international affairs by becoming involved in campaigns for the environment, education, health and other areas of particular concern to women.

WIs were started in Canada in 1897 by Adelaide Hoodless, a farmer's wife, who wanted women in rural communities to support each other in their daily lives by learning new skills, taking part in social activities, to have fun and to make new friends. Although no longer confined to countrywomen, these aims are still relevant in the 21st century. The first WI in Britain was established in Anglesey in 1915. Please see www.thewi.org.uk for the full history of the WI.

We see ourselves as “a modern voice for women” and that includes you!

Your WI

Your WI is a place for fun, friendship, laughter and learning.

Your WI meets a minimum of eleven times a year with an events programme arranged by its own committee. As well as these monthly meetings, most WIs have regular interest groups and activities.

As a member, you take part in electing a committee and President every year, ensuring that each WI is run by the members for the members. The on-going strength and vitality of your WI is important, so please consider helping the committee during your membership.

Your Group

Many WIs belong to a group of neighbouring WIs. These groups meet once or twice a year to share a speaker or arrange an activity, outing or demonstration. They are a great way to meet members from nearby WIs and widen your circle of WI friends.

Please ask your WI committee for details of your Group.

Your Federation

Your WI belongs to Surrey Federation (SFWI)

Our role is to support the purpose of the NFWI, and we do this through a wide range of activities that allow members to turn their interests into achievements and their concerns into campaigns. We offer you the opportunity to discover your talents, learn new skills and improve the quality of life in your community alongside all that's on offer in your own WI.

Surrey WI News

The Federation's monthly magazine Surrey WI News which is emailed directly to you on the first of every month it is also available to download from the SFWI website and is available in hard copy by request for a fee. It will ensure that you are made aware of all the activities and will keep you entertained with articles and stories about WI life in Surrey, along with the Federation's continually updated social media platforms and website.

Board of Trustees

The SFWI is run by a Board of Trustees with the other Teams delivering a wide range of events for members from all over the Federation.

Up to fifteen volunteers are elected by Surrey WI members every two years to serve on the Board. The Chair or Co Chairs, up to three Vice Chairs and Treasurer are elected annually by the Board members. Further members can be co-opted.

Teams and Working Parties

Each SFWI Team deals with a specialist area as follows:

Skills, Activities and Learning Team (SALT)

Helps members to improve their knowledge and skill in a variety of subjects by organising lectures, demonstrations and courses for all SFWI members to attend. They also arrange outings, trips and experiences to further the aims of the constitution, including in art, literature and sport.

Member Support Team (MST)

This team supports the organisation, growth and development of the WIs and their members through training, positive promotion and visiting WIs.

Resolutions and Campaigns Team (RACT)

This team is a link between NFWI and our WIs and their members. They take the campaigns and resolutions and turn them into workable local ideas for our WIs to engage with and work together to support the National Campaigns.

Office Team:

This is made up of employed staff and volunteers who deal with the day to day running of the organisation. Along with the Board of Trustees, this Team oversee the governance of the organisation.

To help our organisation thrive, we need different ideas from new Team members.

Why not ask to attend a Team meeting of your choice as an observer to discuss if you would like to join that team or the Federation Office, details of which you would find in this pack or by contacting the office via email info@surreyfedwi.org.uk

Edenbridge & Oxted Show (E&O)

The Edenbridge & Oxted Show has its own team of WI members. The team decides on the theme, competition classes, activities, displays and demonstrations which all take place in the marquee. You may find a WI member demonstrating lace making, for example; special activities for children and you will be able to purchase home-made cakes and preserves. The team organises a fund-raising event prior to the show which covers our costs.

WI members support the show by entering competition classes (some of which the public can enter) and visit along with the public to see how their entries fared and admire the quality of craft and other skills on display. WI Advisers are on hand to answer any questions about the WI and recruit new members.

Some of the other regular events etc

Cranleigh Show
Sisterhood Groups (EDI)
Crafty Ladies who meet every other month
Camera Group
Climate Ambassadors

Resolutions

The WI has a rich history in campaigning and these all start with a resolution. These all start with a resolution response to a concern or event that a WI feels strongly about.

Each May, your WI is asked to vote on the NFWI resolutions. These are then taken to the National Annual Meeting for final discussion and a vote. The resolutions that are passed become mandates and campaigning begins.

Over the years members' concerns have ended in campaigns for example:

- Keep Britain Tidy (1954)
- Freedom from Hunger (1961)
- Free Family Planning (1973)
- Equality of Opportunity (1975)
- The Dangers of Acid Rain (1980)
- Compulsory DNA Testing (1990)
- Care of the Environment (2005)
- Care not Custody (2008)
- SOS for honeybees (2009)
- End Plastic Soup (2017)

- Link Together to Alleviate Loneliness (2017)
- Make Time for Mental Health (2018)
- Get on Board for a Better Bus Service (2019)
- Don't Fear the Smear (2019)
- End Modern Slavery (2020)
- A Call to Increase Potential Stem Cell Donor Registration (2020)
- See the Signs – Ovarian Cancer (2021)
- Women & Girls with ASD & ADHD (2022)
- Clean Rivers for people & wildlife (2023)
- Bystanders can be Lifesavers (2025)

WI Advisers

Your WI is a place for fun and friendship. To support our WIs SFWI has appointed advisers who have been trained by NFWI. They are linked to the Member Support Team above and their role is to:

- Start new WIs
- Give support and advice to WIs and members
- Help with resolutions
- Run training days on many aspects of committee work
- Visit annual meetings when requested
- Suspend WIs

If you wish to contact your adviser, please email the office on info@surreyfedwi.org.uk and you will be put in touch.

Please see www.thewi.org.uk for full details.

NFWI Charter

1. Introduction

This document outlines the principles of the partnership between the NFWI and its members and explains what members can expect from being part of the NFWI. It also outlines what NFWI staff can expect from members. This is a living document and will be regularly reviewed to ensure it reflects feedback from members and changes to resourcing at NFWI.

The WI is based on the ideals of the fellowship, truth, tolerance and justice. In all that we do, members and staff are expected to demonstrate and operate with these values.

2. Principles

The partnership between the NFWI and its members is based on the following five principles.

2.1 Support

The three tiers of the NFWI (WI/federation/NFWI) exist to ensure all members are effectively supported and can get the very best from their WI experience. This relationship is one of partnership and shared purpose. All members should feel able to contact the NFWI for advice and guidance.

2.2 Feedback

All members, at any level of the organisation should feel able to share views, comments and feedback on their experience and this is actively encouraged to support the ongoing development of the organisation and a culture of continuous improvement. Feedback will be received in an open and constructive manner with formal follow-up as appropriate.

2.3 Structure

The SFWI has a three-tier structure to ensure effective and timely support is available. WI specific enquiries should be directed to the relevant federation in the first instance. These will then be escalated to the NFWI if necessary.

2.4 Communication

All views, comments and feedback should be shared respectfully and appropriately and within the values of the NFWI.

Members can phone, write or email to share their feedback. NFWI staff have individual email addresses, but there are also a number of general email addresses if you do not know the name of the staff member you wish to contact.

2.5 Respect

All members and staff have the right to respect and to feel safe. Offensive or disrespectful behaviour will not be tolerated and may end in disciplinary procedures (staff) or barring of an individual from contact with the NFWI (members). The same true for members, who will always be treated with respect and courtesy whenever they contact NFWI; the relationship is one of mutual respect and tolerance.

3. Response

The NFWI operates a target response time for all enquiries received. This is outlined below. This response time is published for transparency and to manage expectations. This is the standard that members can expect and are entitled to challenge this if necessary. Individual NFWI staff teams operate target response times which vary based on the capacity of each team and the average volume of enquiries received.

Whilst the NFWI aims to provide an immediate response to last minute requests when it can, this will not always be possible. Where information is required and this is known in advance, we ask that you provide as much as possible. If an enquiry is an emergency, then this should be directed by phone to the NFWI London Office.

With enquiries on behalf of multiple individuals, such as those from a whole WI or a WI committee, we ask that the enquiry is sent only once. Multiple enquiries from different individuals on the same topic can slow down our ability to respond to enquiries within our timescales.

4. Response times

The NFWI aims to respond to all enquiries – regardless of the method of communication – within 10 working days of receipt.

THE NFWI CODE OF CONDUCT

WI Member Reasonable Adjustments Form

WI membership is open to all women. We do not ask members any personal questions as part of the joining process and are committed to ensuring all members are treated fairly and equally whatever their background or individual circumstances.

Completing this form is optional and members do not need to complete this form to become a member of the WI. This form accompanies the WI Member Registration Form and offers members the opportunity to share any reasonable adjustments they need with the WI Committee.

Reasonable adjustments aim to minimise or remove the disadvantages experienced by those with disabilities. Examples of reasonable adjustments include:

- Providing a sign language translator at physical or virtual meetings and events.
- Ensuring there are accessible toilets.
- Allowing members who may feel anxious to arrive early and get settled before a meeting or event begins.
- Taking steps to ensure that members with dementia are able to arrive at and leave the meeting or event venue safely.
- Keeping seats at the front reserved for those with hearing impairments.

What is reasonable depends on the circumstances of each individual case including:

- The type of disability.
- How practicable the adjustments are.
- How the adjustments would overcome the disadvantages experienced.
- The size of the organisation, the resources available and the cost of the adjustments.

Each WI has its own profile on the main website (www.thewi.org.uk) which includes accessibility information. However, a WI may still need to make reasonable adjustments. Please see the NFWI Equality, Diversity and Inclusion Policy for more information on reasonable adjustments.

This form can be completed at any time. This information will not be shared with anyone outside the WI Committee.
